*During the Coronavirus pandemic there have been a number of modifications to the operation of the Civil Procedure Rules and Practice Directions with the intention of ensuring that the administration of justice, including the enforcement of orders, is carried out so as not to endanger public health and in recognition of limited court resources during the pandemic.*

*These notes, first offered as a takeaway on 9<sup>th</sup> April 2020 following the #HardwickeBrew, will be updated (**in red**) regularly to take into account some of the changes relevant to those practising in landlord and tenant and social housing work. All the information below was correct as at 11<sup>th</sup> May 2020.*

  - prohibits enforcement of a right of re-entry/ forfeiture for non-payment of rent by action or otherwise between 26 March and 30 June 2020
  - S 82 anticipates possession claims being heard, but prevents any possession order made between 26 March and 30 June 2020 from taking effect before 30 June 2020:-

#### High Court

- in possession proceedings for non-payment of rent commenced in the High Court before 26 March 2020 any possession order made must take effect after 30 June 2020
- if a possession order has been made by the High Court which is to take effect between 26 March -30 June 2020 and T makes an application to vary the order before possession has been given to L, the court must make an order which ensure that the T does not have to give up possession before 30 June 2020.
