

Hardwicke's Virtual Pupillage Evening

3 December 2020 | 18:00 – 20:00

Hardwicke are delighted to invite prospective pupillage applicants to meet us (virtually) at our evening event next month.

There will be a short talk at the start of the evening about our work, what we offer to our pupils and what you can expect from pupillage at Hardwicke. You will then have an opportunity to meet members and discuss life in Chambers and at the Bar more generally.

The event is intended to give you an opportunity to really get to know us – beyond what we say on our website – but unfortunately that does mean places are limited. If you would like to attend, please send 50 words stating why to joshua.griffin@hardwicke.co.uk with the subject heading 'Virtual Pupillage Evening'.
